## Cricut Machine | Expression Empowering Craft Enthusiasts to Reach New Creative Heights

**Maximize your craft investment and eliminate your risks by purchasing the Cricut Expression machine online.** At present, when you buy the Cricut Machine online your purchase is accompanied with \$197 worth of bonus craft accessories which will further enhance your craft and scrapbooking experience. As well, you are able to participate in a 30 day no obligation in-home trial before making any purchase commitments. This special Cricut offer is exclusively available to online customers.

**<http://www.TheCricutMachine.com>**

The advertisement features the Cricut Expression logo on the left, followed by the text '30-Day Trial' and a large price tag of '\$33.00' with 'Only' and 'PLUS S&H' in smaller text. To the right is an image of the Cricut machine. Further right, the text 'Cut, Create, Decorate & More!' is displayed, with 'Create: Cards, Posters, Decals, Signs, & More!' below it. On the far right is a starburst graphic that says 'NO COMPUTER NECESSARY'.

It is not too hard to find positive cricut reviews online as they are bountiful. Nonetheless, *with the accompanying price tag it is crucial to be able to determine if the Cricut Expression is truly worth the price.* Of course, the true value of the Cricut machine is entirely dependent upon the use which the artist will get out of the device. If one is just a novice and learning the art of crafts and scrapbooking then it may be wise to forgo the Cricut purchase until it has been determined that participating in these activities is a definite interest.

**<http://www.TheCricutMachine.com>**

The Cricut machine undoubtedly offers many features which are unmatched by most craft cutting machines and the price tag clearly reflects this multifunctionality. With that said, the large numbers of positive feedback seem to confirm that the Cricut price is accompanied with quality. This craft cutter's features greatly extend artists capabilities in producing their artwork and its many accessories ensure that scalability is not an issue. **If it has been determined that crafts and scrapbooking is a hobby which will be actively pursued then the Cricut will prove to be an invaluable companion since it is able accommodate multiple craft cutting functions.**

The banner features the Cricut Expression logo on the left, followed by the text "30-Day Trial" and a large "\$33.00" price tag with "Only" and "PLUS S&H" in smaller text. To the right is an image of the Cricut Expression machine. Further right, the text "Cut, Create, Decorate & More!" is displayed, along with "Create: Cards, Posters, Decals, Signs, & More!". On the far right, a starburst graphic contains the text "NO COMPUTER NECESSARY".

The Cricut Expression Machine claims to be able to cut virtually any material and is even able to etch glass and perform other functions which one would think beyond the scope of a craft cutting machine. This machine offers so much functionality that it brings new possibilities to the table and eliminates the necessity for requiring separate machines for each different craft function. With the Cricut Expression Machine one is able to:

- \* *Etch Glass*
- \* *Create Cooking Stencils*
- \* *Make Cards*
- \* *Create Gifts and Mementos*
- \* *Airbrush*
- \* *Scrapbook*
- \* *Create Home Decor*
- \* *Create Vinyl Lettering*
- \* *Create Unique Quilts and Patterns*
- \* *...and countless other possibilities*

In conclusion, the Cricut Expression does possess features which remain unparalleled within the craft machine industry but this extensive functionality is accompanied with a hefty price tag. Undoubtedly, if one is an avid craft enthusiast then they will easily be able to recoup their investment through their creations but, most likely, a casual crafter would be advised to forgo a cricut investment due to the expense involved. **Another option available to interested consumers is the ability to participate in a no obligation 30 day trial period. This trial offer is exclusively available for all online purchases and will safeguard the consumer's investment by enabling them to test-drive the Cricut machine before committing to an actual purchase.**
